The youth open gym time provides junior high students with a space to engage in recreational activities, hang out with friends, and be a part of the community centre.

Days: Monday to Friday

Time: 2:00pm – 2:45pm

Parents completing this form understand and have explained our policies and procedures to their youth. Youth will lose the opportunity to participate in the open gym if policies and procedures are not followed. Please review our policies located on our website, this includes our Workplace Harassment Policy and Members Tolerance Policy. Parents will be contacted if youth have been asked to leave or pass has been removed. Passes may be removed at discretion of management. If a pass is removed from a youth, they may get a new one a month later after speaking to management.

At the end of the drop in time, youth are expected to clean up after themselves, and assist with putting away the equipment.

Youth are not permitted to bring equipment, food, or drink into the gym. The PRCC will provide recreation equipment for the youth.

Upon completion of this form and returning to the front desk, youth will be provided with a gym pass. The gym pass must be shown to the front desk to enter the gym. If the pass becomes worn or lost, youth can request a replacement by speaking to the front desk.

Signatures of Parent/Guardian and Youth indicating they understand and agree to follow PRCC policies and procedures, as well as any rules and regulations enforced for the open gym or the centre as a whole.
